- RESEARCHERS IN MOTION -

EURAXESS: RESEARCHERS IN MOTION

- is a unique pan-European initiative providing access to a complete range of information and support services to researchers wishing to pursue their research careers in Europe or stay connected to it;
 - is an **ERA** (European Research Area) key initiative to promote research careers and facilitate the mobility of researchers across Europe;

- European Union & 40 countries in Europe are working together to assist researchers and research organisations!
 - all services at EURAXESS Portal are provided free of charge!

Objectives of the project

To promote ERA and the services of the EURAXESS initiative;

To promote H2020 from the angle of mobility, e.g. MSCA and ERC;

To develop and animate a network of researchers in partner countries.
